

Manager V1 Staff Guide

Account: manager@stayos.local | Password: Password123! | Generated: 3 Aug 2026, 9:42 pm

This guide is for staff pilot testing. Follow normal hotel operations and report anything confusing, blocked, or financially incorrect.

Daily review

1. Check front desk queue.
2. Review arrivals and departures.
3. Inspect room readiness and housekeeping load.
4. Review billing exceptions.

Approvals

1. Review rate/payment exceptions.
2. Help staff resolve blocked check-ins or checkouts.
3. Escalate data issues before staff continues.

Staff support

1. Use role views to understand what staff can see.
2. Guide front desk through normal flow instead of manual shortcuts.

V1 pilot review

1. Review staff issues at the end of each shift.
2. Separate blockers from polish requests.
3. Confirm financial issues before marking them resolved.
4. Approve any data reset or correction before it is done.

Do Not

- Do not change demo configuration during staff pilot unless required.
- Do not delete records during V1 testing.
